

GORMLESS WOMEN OF THE MONTH 'Clean Break' theatre company

Justice for men & boys (and the women who love them)¹ presents the May 2014 'Gormless Women of the Month' award to the women working at the 'Clean Break' theatre company, in recognition of preposterous statements such as the following on their website:²

The treatment of women by the criminal justice system is one of the clearest demonstrations that our society is still fundamentally unequal and that women are judged by different standards to men... first-time women offenders are twice as likely as men to be sent to prison...

Ladies, welcome to **The Gormless Club**.
