## GORMLESS FEMINIST OF THE MONTH

**Justice for Men & Boys (and the women who love them)** presents the July 2015 'Gormless Feminist of the Month' award to Jessica Valenti, a *Guardian* 'journalist'. She won her first award in August 2014.<sup>1</sup> Toy Soldiers published a short post on 21 July 2015, pointing to the headlines of two pieces Valenti had written in June 2014 and July 2015.<sup>2</sup> The first read:

The end of hisses, whistles and stares: we need to walk the streets without fear.

The second:

Men rarely catcall me any more. I hate that our culture makes me miss it.
