

A Harpy Lifetime Achievement Award

is presented to

The Rt Hon Harriet Harman MP

The Anti-Feminism League is proud to present The Rt Hon Harriet Harman MP with a Harpy Lifetime Achievement Award in recognition of her misandry and relentless pursuit of special treatment for a very small minority of women – militant feminists – at the expense of all men and the vast majority of women. Her lies and manipulations as a government minister (1997-2010) earn her a unique position as the most undemocratic harpy of her generation.
