

Hannah Betts

Whiny Woman of the Month

J4MB <http://j4mb.org.uk> presents the **Whiny Woman of the Month** award for February 2014 to Hannah Betts, a British journalist. In a whiny article¹ published by *The Daily Telegraph* she described 2013 as an ‘annus misogynis’, and gave exposure to other whine merchants including Carole Criado-Perez, Laura Bates, Joan Smith and The Fawcett Society. Ms Betts is now a member of The Whine Club, and will remain one until she makes a public commitment to stop whining. We confidently expect her to remain a member of the club for life.
