

Belinda Brown

Justice for Men & Boys (and the women who love them) presents a Maggie award to Belinda Brown, a social anthropologist and researcher for [Men for Tomorrow](#), author of many impressive pieces including:

[Getting women into the workplace encourages replacement, not growth](#)

[My response to Holly Baxter](#)

[The toxic legacy of Superwoman](#)

[My response to Professor Alison Wolf's lecture on feminism to Demos \(from 41:11\)](#)

[Why Mrs Thatcher wasn't a feminist](#)

[A century of feminism has failed us. Women have betrayed men's trust](#)

[Feminists have dismantled the social conventions that protected women against rape](#)
