Dear Roger,

Ref: FOI321262 7/7/2015

Request for an internal review

A copy of this letter has been published on our website.

On 19 June I emailed your FoI team in relation to two lying feminists who were presented with awards in the Queen's birthday honours list, namely Laura Bates (OBE) and Caroline Criado-Perez (BEM). These women have respectively been awarded two and three 'Lying Feminist of the Month' awards, a link to the background to those awards, and their award certificates, is here.¹

Presenting honours to unrepentant liars brings the honours system into disrepute, and we should like you to conduct an internal review of the decision to decline to provide us with the information requested. Should you continue to decline to provide it, we shall take the matter to the Information Commissioner.

Thank you.

Yours sincerely,

Mike Buchanan
