

The New Intolerance on Campus

We'd like to invite you to this unique, one-off conference – the first of its kind in the UK. *spiked* is bringing together world-renowned writers, academics and activists to interrogate the rise in campus censorship.

The conference titled *The New Intolerance on Campus* is on Wednesday, 17 February 2016 from 12 to 5pm at Conwa y Hall, 25 Red Lion Square, London, WC1R 4RL.

With sessions on Safe Spaces, the Boycott Divestment and Sanctions (BDS) movement, No Platforming and hate speech, we will explore if the New Intolerance on campus is producing a generation of *intellectual* bigots, young minds that would rather censor or boycott their opponents than argue with them.
