

Comments left 29.5.16 on the video of the maiden speech of Jess Phillips MP:

<https://www.youtube.com/watch?v=GIpMedhtx8M&lc=z12ns14yitnyjrv423gsdf4fkuiyrk13>

The screenshot displays a web browser window showing the YouTube comments page for a video. The browser's address bar shows the URL <https://www.youtube.com/comments>. The page is organized into several sections:

- Navigation Menu (Left):** Includes Dashboard, Video Manager, Live Streaming, Community, Comments (highlighted), Messages, Subscribers, Contribute subtitles and CC, Manage subtitles and CC, Community settings, Credits, Channel, Analytics, Create, and Help and feedback.
- Comment Filter (Top):** Shows 'Published comments', 'Held for review', and 'Likely spam' tabs. A search bar for comments and a dropdown for 'All videos' are also present.
- Comments List:**
  - Ross Lumbus** (8 hours ago): Cringeworthy
  - Sensible Youtuber** (8 hours ago): She looks like a man
  - Rich Hamilton** (9 hours ago): I can't believe she compares her husband being an engineer to her job at the time which appeared to be a counsellor or social worker... what a joke!
  - Silvestri The unknown Human** (9 hours ago): GRABS RUSSIAN ROULETTE GUNS 'Oh boy, I'm gonna need 2 guns for this one.'
  - Creepy Rapeface** (9 hours ago): I find this video difficult to masturbate to
- Taskbar (Bottom):** Shows several instances of 'Golders Green prot...mp4' (Cancelled), a 'Show all downloads...' button, and system tray icons for Desktop, Speakers (85%), and the date/time (18:55, 29/05/2016).
