

Harriet Harman MP

LYING FEMINIST OF THE MONTH

[J4MB](#) presents the January 2017 [Lying Feminist of the Month](#) award to [Harriet Harman MP](#) (Labour, Camberwell and Peckham) in recognition of her [allegation](#), made a week before the publication of her book *A Woman's Work*, that lecturer Professor TV Sathyamurthy told her she could have a 2.1 degree 'in return for sleeping with him', while she was a student at the University of York.

Professor Sathyamurthy died in 1998, at the age of 68 – almost 20 years ago. It is bordering on inconceivable that such a vile hate-driven feminist politician – the first Minister for Women, in Tony Blair's first cabinet, in 1997 – would not have reported the incident (if true) before now. The fact she didn't make the allegation when he was alive only strengthens our conviction that Ms Harman is lying.
