Hi Julie. It would be difficult to find a sentence better illustrating Dworkin's deranged thinking than this, from your article:

"Male-to-female transsexuals were in rebellion against the phallus, and so was I."

"Rebellion against the phallus". As often the case, a simple gender switch reveals the insanity - "Female-to-male transsexuals were in rebellion against the vagina, and so was I."

We can, however, agree on the odious Dr Charlotte Proudman, who's as mad as a March hare on acid. She was our inaugural Toxic Feminist of the Month in September 2015 <https://j4mb.org.uk/2015/09/14/charlotte-proudman-inaugural-toxic-Toxic-Feminist-of-the-month-award-winner/>, our extensive library of pieces on her is here <https://j4mb.org.uk/?s=Charlotte+Proudman>, while your own Toxic Feminist of the Month award certificate (October 2015) is here <https://j4mb.org.uk/wp-content/uploads/2015/10/151017-julie-bindel-toxic-feminist-of-the-month.pdf>.

Have a nice day.
