

# Whiny Woman of the Month

Sally Morgan, Baroness Morgan of Huyton

**J4MB** <http://j4mb.org.uk> presents the **Whiny Woman of the Month** award for March 2014 to Sally Morgan, Lady Morgan of Huyton, a Labour peer. She's the chairman of OFSTED, the schools inspection service, and she publicly whined<sup>1</sup> about the government's decision to not renew her three-year contract, which is due to expire later this year. She's now a member of The Whine Club, and will remain one until she makes a public commitment to stop whining.
