A predictably woeful and error-rich piece. Can't be bothered to refute all the errors, it would take an hour.

I invite your readers to join us at an event being hosted by two Canadians, Alison Tieman (TyphonBlue) and Karen Straughan (GirlWritesWhat). It's the fifth International Conference on Men's Issues, being held in Chicago later this year, 16-18 August:

Perhaps you should ask them. Why single out just the one Abrahamic religion, when they all hold the same views?
