

# LYING FEMINIST OF THE MONTH

# Caroline Criado-Perez

J4MB presents the October 2014 Lying Feminist of the Month award to Caroline Criado-Perez. This is the second time she's won this award. In May 2014 she won it for having lied in the course of a BBC radio programme in which Mike Buchanan was being interviewed at length.<sup>1</sup> Her new award is presented in recognition of her repeating a long-discredited feminist lie, in an article published online by the *New Statesman* on 23 July 2014:

**Domestic abuse is the largest cause of morbidity in women aged 19-44,  
more than war, cancer, or motor vehicle accidents.**

Eric Priezkalns sent a formal complaint to the Independent Press Standards Organisation which, after a ten-week-long war of attrition which shows IPSO in a very poor light, ruled that the *New Statesman* had breached the Editors' Code of Practice. His blog post on the matter is well worth reading.<sup>2</sup> In common with Laura Bates, also a winner of this award,<sup>3</sup> Caroline Criado-Perez is a gift who keeps on giving.
