

Herbert Purdy

Justice for Men & Boys (and the women who love them) is pleased to present a Winston award to [Herbert Purdy](#), an important British anti-feminist blogger. His powerful pieces include [Laura Bates, the child-woman, speaks again](#), [Domestic homicide – joining up some fascinating dots, and puncturing a feminist myth](#), [Feminism – the enemy inside us all](#), [What is wrong with feminism? Lucy Holmes believes not much](#), [Marriage really is finished: it's over](#), [Feminists, be warned – by history!](#), [All in the same boat – what, with feminists on board?](#)
