

Toady Award

National Organisation for Men Against Sexism

Toady *n* a sycophant, an obsequious flatterer; *v* and *vi* to fawn on and flatter like a sycophant

Justice for men & boys (and the women who love them) presents a Toady award to the Denver-based organisation **National Organisation for Men Against Sexism** (NOMAS) <http://nomas.org>. NOMAS's propagation of gender feminist conspiracy theories, fantasies, lies, delusions and myths makes them a deserving winner. On their website one article alone, 'Not a Two-Way Street: Men are NOT the victims of what is meant by Domestic Violence and Abuse' <http://www.nomas.org/node/220>) would have been sufficient to make NOMAS a deserving winner.
