

SOCIETY FOR THE PROTECTION OF UNBORN CHILDREN

489

7 March 2024

Ref. ACT-0324 / RE 432840

Dear [REDACTED]

Please join us in an act of witness to defend unborn babies

SPUC is holding an act of witness outside Parliament to oppose extreme abortion amendments.

Date: 19 March 2024

Time: 2pm – 4pm

Place: King George V statue, opposite Old Palace Yard and Peers' Entrance, which is No 11 on the map enclosed with this letter. You can also download this map via this link:

<https://www.parliament.uk/visiting/access/directions> .

We will be gathering to oppose the extreme abortion amendment to the Criminal Justice Bill put forward by pro-abortion MP Dame Diana Johnson. This amendment would mean that a woman could abort her baby up to birth without any criminal sanctions.

Abortion must stay within the criminal law to protect mothers and their unborn babies.

I realise that this is very short notice and that it may well not be possible for you to take part in this event. However, if you are able to come along, we would be very glad to have your support.

We will supply placards with messages about this particular issue. So please do not bring along other signs or banners. If you would rather not hold a banner, please come along to support us with private, silent prayer.

Please let us know if you are going to come to the witness. It is important that you do this so that, if necessary, we can contact you with further details and developments.

You register your attendance by going to <https://www.spuc.org.uk/spucwitness> . Or you can contact SPUC's Development Officer, Terry Graham on **07549 068 226** or by emailing terrygraham@spuc.org.uk .

With my heartfelt thanks,
